Dear Mr. Weisburg,

Thank you for your prompt attention & the book. I have started to read it & find it fascinating. When our family is finished reading it, it will become a part of the history book collection.

I have told many people about it & they have requested the name & address when they may obtain a copy. Will pass this information along.

Good luck with your project.

Enclosed is money order for $5.05.

Sincerely
Evelyn Crosby
